

A theater company, (EITC) came to Jeanne D'Arc and the fourth year pupils (European Section) were able to watch a play in English. Seven actors from our classes were selected by the teachers. After studying the play and rehearsing the roles in class, we joined the actors on stage. It was excellent. The show was very lively and entertaining. The spectators appreciated the dynamism of the students. I think we will all keep a good memory of this experience which enabled us to improve our English.

I would like to thank Miss Cooney and Mrs Roskell for their support and precious help! A big clap for the brave students who accepted to go on stage .Thanks to the theater company and we hope we will see them again next year.

I would like to finish with a quote from Shakespeare:

*"All the world's a stage, and all the men and women merely players. They have their exits and their entrances, and one man in his time plays many parts".*
